

# CALENDAR OF EVENTS

## WEDNESDAYS:

**3:30 PM**

### Tracks & Scat

Meet at the Visitor Center - Discovery Room. Learn how to identify common tracks left by native wildlife and then create your own.

## FRIDAYS:

**4:00 PM**

### Skins, Hides, & Skulls

Meet at the Visitor Center for this hands-on program geared for the park's "junior" rangers.

## SATURDAYS:

**11:00 AM**

### Fall Colors Hike

Meet at the Lodge Loop Trailhead for a short hike along the paved Lodge Loop Trail. From blooming purple asters to flaming sourwoods, autumn colors about from forest floor to canopy. (Easy, 0.4 miles.)

**1:00 PM**

### Birds of Prey

Join the park naturalist in the Lodge Lobby as we spend some time with resident non-releasable raptors. You will not soon forget the message they have to share.

**4:00 PM**

### Autumn Pin Craft

Meet at the Visitor Center - Discovery Room to create a colorful handcrafted pin that celebrates the season.

## SUNDAYS:

**11:00 AM**

### Base of the Falls Hike

Join a Ranger at the Reflection Pool for a hike to view Amicalola Falls, surrounded by the colors of the season. This 0.5-mile hike is short, but a bit strenuous. The paved trail follows the Base of the Falls up to a lower viewing platform, and then continues up 173 stairs to the best view of the falls.

**1:00 PM**

### Snakes Alive

Meet in the Lodge Lobby to learn more about North Georgia's native snakes. These often-misunderstood creatures are important in ways we don't always recognize. Participants will see live, non-venomous snakes native in Georgia.

**3:00 PM**

### Fall Leaf Magnet Craft

Meet in the Visitor Center-Discovery Room to design your own Fall Leaf magnet.

**FED WILDLIFE = DEAD WILDLIFE**  
*Please don't leave food items  
accessible to wildlife*
